Met at a Moremi airstrip, spend three nights luxury camping and exploring the incredible Okavango Delta reserve by custom 4x4.

DAY 1 – 3 | MOREMI GAME RESERVE

The safari starts when the guests are met at an airstrip in Moremi and then enjoy a game drive to their private camp in the African savannah. For the next 3 nights and 4 days you will explore the incredible Moremi in a custom fitted 4 x 4 vehicle that seats 7 guests in individual seats.

The typical safari day usually consists of an early morning wakeup followed by light breakfast before departing on a morning game drive that lasts until brunch/lunch time. The early afternoon is spent relaxing until tea time when it is time to depart on an afternoon game drive. At sundown return to camp for dinner under the stars. However there is nothing set in stone in terms of time. We believe that the most important aspect of a safari is actually being out on safari and not stuck in camp.

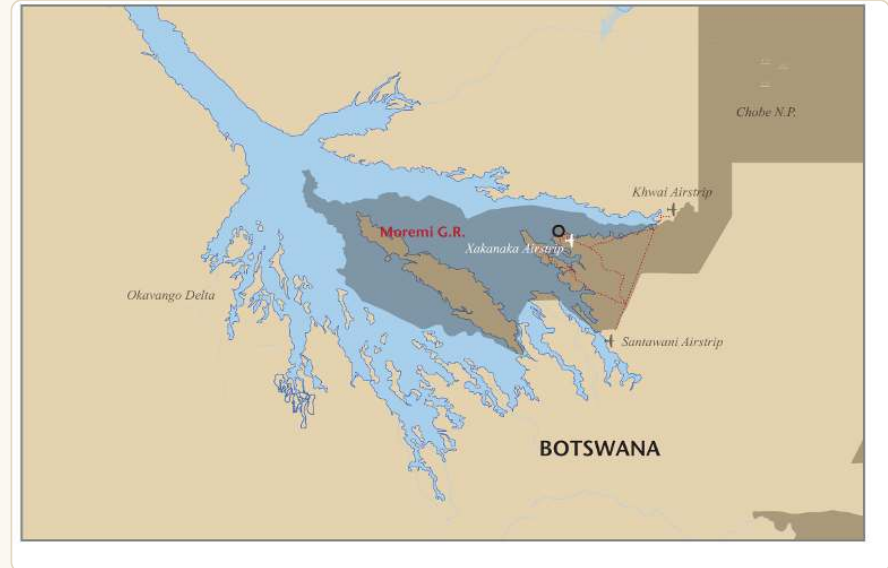

The game drives in the Moremi take you through open grasslands and swamp areas. There is an incredible abundance of bird life and wildlife. There is always a sense of expectancy and, whether you are looking at a

herd of impala or resident lions, one is always surrounded by the beautiful Okavango Delta. The Moremi reserve has a huge variety of animals, especially predators and bird life, and so there is always something to see. As an optional activity one can take a full day boat cruise on the Delta, but this should be booked in advance. It is a wonderful day as there are some huge nesting sites at certain times of the day. You might be lucky to find a huge elephant feeding in the water or a pod of hippo, but whatever you may see the scenery is fantastic.

The fact that you are luxury camping in the park enables you to have an incredible wildlife experience, but it also gives one the chance to experience true African bush.

DAY 4

After breakfast you will take a game drive to the airstrip for your onward journeys. This is not the end of the journey as Africa is now in you, so we look forward to seeing you back soon. If nothing else, spread the good word of your experiences and time with us.
